

Phazr-5 Remote Control

Innovative Systems introduces a new replacement remote control option for the IS-5041 and legacy Amino STBs.

LOOK & FEEL

- Black finish hefty-sized unit
- Good-sized red-colored back lit keys
- Can control up to 5 devices in a home system
- Powered by two AA batteries
- Dimensions: 8 ¾" x 2 ¼" x 1"

CONNECTIVITY

- Two LED infrared lamps for excellent range and angle

INTERACTIVITY

- Device code search feature
- Embossed programming instructions on the outside of the battery compartment
- All-On and All-Off feature

COMPATIBILITY

- For use with the IS 5041 STB and Legacy Amino STBs

NOTE: This remote control does not have a skip forward button. Some button functionality works differently depending on what STB you have.

*Contact your Innovative Systems Sales Director for more information about this remote control.
